STUDENT/PARENT/TEACHER COMPACT

Dear Parents,

The Kearny School District is committed to the development of social and academic excellence in young people and believes that high student performance is fostered through home-school partnerships. With the cooperation of three major partners (parents, teachers, and students) we can work towards this goal. A ***school/parent/teacher compact*** *is a plan of action that identifies what contributions each partner can do to help children succeed academically and socially. If we all put our efforts together, ultimately the student will demonstrate success.* ***Please review the different responsibilities below and sign and return to your child's school. A copy will be made and forwarded to you with all partner signatures.***
