COVID-19 Letter to Parents

Dear Kearny Parents and Guardians:

In our effort to provide assistance to our students during this difficult time, the Kearny School District has coordinated protocols to support families should anyone at home become ill with Coronavirus. Our focus remains on our students to ensure they will continue to receive access to caregivers, food, education, and any assistance they would need at all times.

Please contact your physician with any symptoms of illness. If you or a family member is confirmed positive, or you believe you have Coronavirus, please contact your building principal, school nurse, or other contacts provided below. Your school nurse will reach out to you to make sure that you have everything in place to be able to care for your children. Our teachers have also been directed to report to their principals any information they receive, but we encourage you to contact your building principal or school nurse directly. Please know that the Kearny School District is committed to our students and families and remains vigilant in our efforts to ensure our community health, safety, and well-being.

We have provided contact information below should you need to contact your school for assistance and support:

Kearny High School

Principal: Jacalyn K. Richardson - jrichardson@kearnyschools.com

Nurse: Victoria Grimm - vgrimm@kearnyschools.com

Eileen Garcia - egarcia@kearnyschools.com

School Counselor: Dorothy Caulfield - dcaulfield@kearnyschools.com

Sincerely,

Ms. Kelly Lindenfesler

Director of Special Services
