Acknowledgement of Consent: I have been provided with the Vaccine Information Sheet(s) or Patient Fact Sheet corresponding to the vaccine(s) that I am receiving. I have read the information provided about the vaccine I am to receive. I have had the chance to ask questions that were answered to my satisfaction. I understand the benefits and risks of vaccination, and I voluntarily assume full responsibility for any reactions that may result. I understand that I should remain in the vaccine administration area for 15 minutes after the vaccination to be monitored for any potential adverse reactions. If the recipient has previously had a severe allergic reaction in the past for any reason, I agree to wait near the clinic location for 30 minutes after receiving the vaccine in designated area. I understand if I experience side effects that I should do the following: contact doctor, call 911, or go to hospital. I request that the vaccine be given to me or to the person named above for whom I am authorized to make this request. I will/have reviewed my answers to the questions above with the vaccinator. I understand that the COVID-19 vaccine is a two-part vaccine series. By signing this consent, I am agreeing that I will receive the first and second part of the vaccine series, and understand the second dose may be required to be effective. I have been provided and have read, or had explained to me, the information sheet about the COVID-19 vaccination. I have been given an opportunity to ask questions which were answered to my satisfaction (and ensured the person named above for whom I am authorized to provide surrogate consent was also given a chance to ask questions). I understand the benefits and risks of the vaccine. I request that the COVID-19 vaccination be given to me (or the person named above for whom I am authorized to make this request and provide surrogate consent).

I GIVE CONSENT to the Kearny Department of Public Health and associated staff to administer this vaccine to me. I understand that the information contained within this record is being maintained to monitor immunization needs in order to prevent disease. This information is confidential and will only be shared with organizations or persons who are authorized by law to receive it. I authorize release of all information needed for public health purposes, including reporting to applicable vaccine registries (including but not limited to NJ Immunization Information System [NJIIS], NJ Vaccine Scheduling System [NJVSS]).
