DISTANCE LEARNING INFORMATION

Summer School will be held virtually through the use of Google Classroom and Edgenuity. The following is information and expectations for the program.

- Students will need daily access to a computer. Students should use their Kearny Schools issued Chromebooks
 - If a student has an issue with a Chromebook, please email Mr. Correnti and he will provide further instruction. Chromebook repair will be available throughout the summer, but will be limited.
- Students will be enrolled into one of two sessions. That session will be determined by the number of students that enroll.
- Students will need to check their Kearny Schools email on a regular basis.
- Students **MUST** check their email on **FRIDAY, June 19th**. An email will be sent to the parent/guardian and to the student with details about the student's class(es) information.
 - Included in that email will be the following
 - The subject the student is taking
 - The time the course will take place
 - The teacher
 - The Google Classroom code for that course
 - Once students receive this email, they should log into Google Classroom and enter the class using the code. The student's must use their given Kearny Schools email address.
- Students will be required to complete an attendance form daily.
 - This form will be available daily on the classpage.
 - If a student is taking two classes, they must complete the attendance form for EACH class.

- Daily Attendance is MANDATORY. If you fail to attend class, you may not receive credit for the class, regardless of the work completed.
 - If there is an emergency, and you can not attend class at the correct time, please email both the teacher and Mr. Correnti (ACorrenti@kearnyschools.com).
- Students are expected to complete ALL work given by the teacher throughout the duration of the course.
- Teachers will be available through email and Google Classroom during the allotted time the class meets. During that time, teachers will/can:
 - Meet with the entire class to provide whole group instruction.
 - Meet with an individual student to provide personalized instruction.
 - Answer student/parent emails pertaining to student work and progress.
- Students will receive grades for their work as they would during the regular school year. Students will need a minimum of a 65 average for the course in order to obtain credit.
