Dear Preschool Parent/Guardian,

It is with great excitement and enthusiasm that we prepare to welcome your preschool child to the Kearny School District family! The first year of school is a pivotal one, and we are very proud of the outstanding program, support and resources we provide our preschool students and their families.

Initially this summer, the district contemplated the need to end the preschool day one period earlier and began making those preparations as some parents may have discovered on our district calendar. Fortunately, the district was able to make the adjustments needed to our daily schedule so that all preschool students will dismiss at the same time as all other elementary students. Please note the preschool entrance and dismissal times below:

Regular Session:	8:40am-3:03pm
Single Session:	8:40am-1:00pm
Delayed Opening:	10:10am-3:03pm

Please note that the district is tentatively planning an **on-site** Preschool Parent Orientation on **Thursday, September 2, 2021**. Specific times and schedules will be provided shortly by your child's building principal. This orientation is an opportunity for parents to be provided pertinent school information and procedures, learn about our preschool program, visit their child's classroom, and most importantly, meet their child's teacher. Only **one** parent or guardian will be able to accompany their child to the orientation. Should the district determine that the orientation will need to take place virtually, parents will receive a meeting link in order to participate.

To learn more about our district's preschool program and other important resources, please be sure to visit our preschool page on our district website. You can access the link on our district's main page under **Departments** at www.kearnyschools.com.

We look forward to meeting your child and wish them a most successful first year of school!

Sincerely,

Flora Encarnacao
Director of Curriculum & Instruction PK-12

FLORA ENCARNACAO, DIRECTOR OF CURRICULUM & INSTRUCTION PK-12
