

This is an online registration process. Please do not send documents via email.

It is very important that you follow the instructions to avoid a delay in your registration

Please read the instructions and have your paperwork ready before you click on the link to register. Please make sure you enter your child's name as it appears on the Birth Certificate. If they have a middle name it must be entered, if they have two last names that is how it must be entered

You will be required to fill out an online registration form. The link for the form is below. During this process you will need to upload your documents ([list of required documents](#)) you may use a scanner or you may take a CLEAR Photo showing only the required documents. No screen shots.

Please put the Birth Certificate and ID on one page [see sample here](#) Three (3) pieces of mail on another page, [see samples here.](#)

If you follow the directions and see the samples, you will only have to upload 3 documents.

Click here to when ready to online register:
