Dear Parent/Guardian:

The Kearny School District utilizes an Automated Calling System to communicate with parents and/or guardians regarding school-related information, such as emergency school closings, snow days, delayed openings, important school events, and student absences.

In order to ensure the system is accurate, it is important that you notify your child's school as soon as possible whenever your contact information changes.

Thank you for your cooperation.

Sincerely,

A handwritten signature in black ink that reads "Patricia Blood". The signature is written in a cursive style.
