K. 2020-2021 SUPERINTENDENT’S GOALS

BE IT RESOLVED: That the Kearny Board of Education hereby acknowledges the successful completion of the following goals of the Superintendent of Schools for the 2020-2021 school year:

QUANTITATIVE

DESCRIPTION OF GOAL:

25% of students in Grades 3-6 will demonstrate an increase of 100 points in their Lexile level.

EVIDENCE OF COMPLETION:

LEXILE scores across all grade levels showed an increase of 16.89%.

DESCRIPTION OF GOAL:

With continued emphasis on College and Career readiness, students, in Grades 3-6, will demonstrate 10% improvement in College and Career readiness skills and increase Lexile levels an average of 80 points, over the course of the 2020-2021 school year, as measured by performance standards and specific college and career readiness data gathered through the use of Achieve 3000.

EVIDENCE OF COMPLETION:

Grades 3-6 achieved 25% improvement in College & Career Readiness and an increase of 117 points over the course of the 2019-2020 school year.

DESCRIPTION OF GOAL:

To achieve an average of 5% increase in total student participation in the PSAT, SAT, ACT and AP Testing.

EVIDENCE OF COMPLETION:

Despite the cancellation of multiple test dates due to the pandemic and the reticence of students to participate in in-person testing, the following number of students participated in each of the test administrations:

PSAT	206
PSAT10	45
SAT	191
AP	167

Although this does not reflect the 5% increase due to COVID restrictions, it is notable that Kearny was the only district in the County to participate in the October PSAT. Additionally, the SAT is normally offered in Kearny 6 times per year with each date testing between 300-500 students. We did manage to offer the full 6 test dates (in latter part of the school year) with a maximum capacity of 150-180 seats (approx. 50%). The ratio of students who participated during the pandemic compared to the capacity limits imposed actually represented an increase of 45% in the PSAT 10, and \ between 46-57% for the SAT. The AP test shows a decrease due to students' unwillingness to take the test due to topics covered in a shortened day/virtual year. The net increase using the ratio of participants to available seats for all tests was 33.5%

QUALITATIVE

DESCRIPTION OF GOAL:

Develop and implement a district Sick Leave Bank in accordance with 18A:30-10-14.

EVIDENCE OF COMPLETION:

The Superintendent researched and developed a Sick Leave Bank plan and met with representatives of the KEA, KSAA, KSA, KSEA, and KEOPA to discuss the details and allowance provided by the plan. The Superintendent brought the plan to the Board of Education which approved it on September 21, 2020. To date, there are 98 employees enrolled in the Sick Bank and a total of 294 days have been donated in accordance with the plan. There was one member in need of sick days for what the Sick Bank Committee deemed as eligible for withdrawal. Said employee has since returned to work.

DESCRIPTION OF GOAL:

The Superintendent will maintain the district's administrative expenses at or below state limits.

EVIDENCE OF COMPLETION:

Allowable administrative expenses:	\$2360
Actual administrative expenses:	\$2191
Difference:	\$169 BELOW

L. BOARD POLICY

The Board has approved the **first reading** of the following policies:

- P 0131 Bylaws, Policies, and Regulations (Revised)
